

Mr. and Mrs. Theodore Farrar, of 619 East 219th street, announce the birth of a son, Jack Louis, weighing 7 pounds and 10 ounces.

NOTED VIOLINIST TO APPEAR FOR CONCERT

Camilla Wicks, young violinist, will be the featured soloist on the third of the current Youth Band Artists concerts scheduled for the Torrance Civic Auditorium on Tuesday night, April 12.

Miss Wicks will play a one hour recital as the second half of a joint concert with the Torrance Area Youth Band.

The Youth Band, directed by James Van Dyck, will play the first half of the program. Featured instrumentalist on the band's share of the concert will be the gifted clarinetist Clement Hutchinson, a former Eastman scholarship student and now instructor in woodwinds at the

University of Southern California. Miss Wicks, born and raised in Long Beach, California, is already regarded by many discerning audiences in the concert halls of the world as the "greatest woman violinist of today," Van Dyck stated. Aside from the regular 700 regular season ticket holders to these concerts, around 300 seats will be available to the general public for this concert. Persons interested in tickets may write direct to the association, Box 548, Torrance, California or call FAirfax 8-5273.

Mr. and Mrs. R. N. Erb, of Calgary, Canada, were the house guests recently of Mrs. Frances B. Clark, of 1731 Andreo avenue.
